5        <body ng-controller = "myFirst">
6        </body>
7        <table border="1" align="center">
8            <tr>
9                <th>Date</th>
10               <th>Description</th>
11           </tr>
12           <tr>
13               <td>First Name</td>
14               <td><input type="text" ng-model="fname"></td>
15           </tr>
16           <tr>
17               <td>Last Name</td>
18               <td><input type="text" ng-model="lname"></td>
19           </tr>
20           <tr>
21               <td>Full Name</td>
22               <td>{{FullName()}}</td>
23           </tr>
24           <tr>
25               <td>Marks</td>
26               <td>
27                   <table border="1">
28                       <tr>
29                           <th>subject</th>
30                           <th>marks</th>
31                       </tr>
```

```html
32                       <tr ng-repeat = "ss in subjects">
33                           <td>{{ss.subject}}</td>
34                           <td>{{ss.marks}}</td>
35                       </tr>
36                   </table>
37               </td>
38           </tr>
39           <td colspan="2" align="center"><input type='button' value='click' ng-click = 'next()'></td>
40       </table>
41   </html>
```

test.html

```html
test.html > html > body > h2
1    <html>
2        <body>
3            <h2 align="center">This is WEBX Experiment</h2>
4        </body>
5    </html>
```

testmodule.js

```js
JS testmodule.js > ⬡ test.controller("myFirst") callback
1    var test = angular.module("myapp",[]);
2    test.controller("myFirst",function($scope,$window){
3      $scope.fname = "Ayushkumar";
4      $scope.lname = "Kamble";
5      $scope.FullName = function(){
6        return  $scope.fname + " " + $scope.lname;
7      }
8      $scope.next = function(){
9        $window.location.href = "test.html"
10     }
11     $scope.subjects = [
12       {
13         subject : "CNND",
14         marks : 60
15       },
16       {
17         subject : "IP",
18         marks : 61
19       }
20     ];
21   })
```

Output:

Date	Description
First Name	Ayushkumar
Last Name	Kamble
Full Name	Ayushkumar Kamble
Marks	subject / marks table below

subject	marks
CNND	60
IP	61
